Innovation + Growth

i2E Group's Growing Presence Across 2026

For over a decade, i2E Group has been a strong and consistent presence in the manufacturing space, building trust with customers and partners alike through transparency, quality, and reliability.

Across the first quarter of 2026, that presence is GROWING!

"Oh, the Places We'll Go..."

In March and April of 2026, i2E Group had the opportunity to attend, sponsor, and participate in multiple events dedicated to connecting fellow innovators and thought leaders from all over the world.

Advanced Mobility Symposium
Research Triangle Park, NC

i2E Group attended the *NC Advanced Mobility Symposium 26* event on Feb. 11 & 12. This was a two-day event focusing on mobility with Day 1 focusing on funding and Day 2 focusing on policy.

AFCEA Career Fair and Innovation Summit
Fayetteville, NC

On Feb. 17, AFCEA hosted its Career Fair. This marked i2E Group's first career fair of 2026 and provided an opportunity to engage with individuals exploring transitions into the workforce, as well as representatives from North Carolina universities and other companies in the manufacturing space.

On Feb. 18 & 19, the event featured a variety of keynote speakers, including military personnel and affiliates, who provided insights into the gaps and opportunities for innovative growth within the battlefield.

In this newsletter you can expect:

- 2026 Events
- FTCC Career Fair
- Career Opportunities

INNOVATION TO EXECUTION

Defense Industrial Sustainment for Combat Systems Summit
Chapel Hill, NC

On March 19, i2E Group, LLC had the honor of participating in NCMBC's 2026 Defense Sustainment Combat Systems (DISC) Summit as one of its small business sponsors, alongside:

- **CogniAI**
- **Due Diligence Research Group**
- **Perun Defense Strategies**
- **ProtoSpace Mfg**
- **RCR Manufacturing Solutions, LLC**
- **SRI/Stock Car Steel & Aluminum**
- **US Foam & Etch**
- **Vartech Systems, Inc.**

During the event, the i2E team had the opportunity to network with military personnel, fellow manufacturers, and thought leaders, as well as showcase our capabilities through displays and samples of current and past projects.

Additionally, our Founder & CEO, John Weir, presented i2E Group's capacity for innovative technologies with potential military applications during the "Technology and Innovation Showcase."
